Dear Parents

This is your opportunity to be part of changing the life of a child who would otherwise be starving.

The Dainfern College Feeding Scheme currently feeds 150 vulnerable children of Iterele Zenzele School and eight children from the LEAP school. We now have the privilege of changing more children's lives by embarking on a feeding scheme at Reshomile Primary School in Diepsloot. Initially, we are able to feed 95 of the 150 vulnerable learners at Reshomile Primary.

The Feeding Scheme is funded solely by donors to the scheme and 100% of the funds are used to finance food parcels that each child receives, with staple food items like maize meal, long-life milk and baked beans. Each food parcel for the Reshomile scheme costs R60. We would desperately like to feed all the children in need of assistance as it is heartbreaking to leave hungry children.

THE FOLLOWING ARE OUR SHORT-TERM GOALS FOR THE DAINFERN COLLEGE FEEDING SCHEME:

- To feed the additional 55 needy children once each month the scheme needs an additional R3 300 per month.
- To feed all 150 children twice a month (instead of once) an additional R9 000 per month is required.
- To build a reserve so that the Feeding Scheme can continue to provide food parcels when monthly donations vary and into next year.

In summary, we would like to double our regular monthly income to the feeding Scheme to **R40 000 per month**. This will ensure the sustainability of the Feeding Scheme at all three schools.

The target of R40 000 a month can be reached as follows:

Securing: 40 donors to donate R1 000 per month; or
80 donors to donate R 500 per month; or
160 donors to donate R250 per month; or
320 donors to donate R125 per month; or even
640 donors (just over half the school) to donate **R62,50 per month**.

We strongly believe that with the support of the Dainfern College Community our target can be reached!

One-time donations or monthly debits of any amount will help us achieve these goals. The Feeding Scheme is administered by Mrs Cheryl Coetzee with the assistance of parent volunteers. Statements are provided monthly to all donors. Our grateful thanks go to all of our Dainfern College parents who already contribute to the Feeding Scheme.
