# PREPARATORY NEWS

Friday 01 July 2011 #21

**Dear Parents, Staff and Pupils**

Mr Webb has Chicken Pox! A sight to behold! I am sure you all join me in wishing him a speedy recovery.

With the mid-term break upon us I thought Claire Marketos' article "*You are your Child's Greatest Teacher*" may be of interest to you.

*"It's the holidays! Kick off your shoes and relax. This fabulous moment in time brings so many wonderful gifts, the most precious being the time to teach your children all that you can about life. We tend to disregard that we are our youngsters' greatest teachers. In our pursuit of the finest education we pay private schools large amounts of money to educate our children, forgetting that the most significant lessons they will ever learn are from watching and listening to us.*

*Teaching your children to think critically and make their own decisions is one of the most valuable gifts you will give them. Thinking critically protects them from peer pressure and empowers them to explore all options when problems arise. Ask your pre-teen what she knows about drugs while taking a walk on the beach together. Discuss with her how making an impulsive decision like driving drunk can impact her life forever.*

*Talk to your three-year old about his feelings while having a picnic in the garden. Ask him when he feels sad, happy, and frustrated. Acknowledge his feelings and talk about how the way we behave impacts on others, thereby teaching him empathy and increasing his EQ. Role play with your children ways of protecting themselves if tempted by strangers.*

*Chat to your nine-year old daughter about the physical changes she's experiencing while enjoying an ice-cream in the park. Empower your children with life-saving skills if they get into trouble in water, such as don't panic, turn around and swim to the edge of the pool.*

*Seize the opportunities that life presents to not only teach your children interesting facts, while travelling, but morals and values as well, thereby enriching their life."*

Both Mr Webb and I wish you all a relaxing and safe mid-term break. Parents and pupils: enjoy your time together, have fun and **remember to come back on 11 July**. Staff: all of the above and particularly enjoy a well-earned extra hour or so in bed on these cold dark mornings. Take care of yourselves, one and all.

- **Staff News**

Our heartfelt congratulations go to Leanne Lee who will be married on Saturday and will return after half term as Mrs Trevor Davidson.

- **Senior Preparatory First Semester Reports**

The Senior Preparatory First Semester Reports will be issued on Friday 1 July 2011 at 12h00, just before we close for Half Term. These reports give a detailed account of pupils' performance in the first six months of the year. Our reports have the following features:

- A generic comment per subject giving an overview of what was covered this semester in relevant subjects.
- A symbol awarded to the pupil for their performance in the relevant subject. Please see the back of the front page for the percentage breakdown for each of the symbols. Symbols are only awarded in the key academic subjects of Mathematics, English, the Additional Language/s, Natural Science and Social Sciences in Grades 4 to 6.
- An Effort Symbol indicating the level of effort from pupils in the relevant subject. Performance indicators for these symbols can also be found on the back of the front page. These are important, but often overlooked recordings.
- Assessment Standards, indicating levels of performance for specific criteria in each subject in the form of a tick box. It is worth taking careful note of the performance indicators in this table.
- A personalised comment on the performance of pupils in the key academic subjects of Mathematics, English, the Additional Language/s, Natural Science and Social Sciences.
- The teachers of each subject sign the pages for which they were responsible.
- A rating of pupils' performances in two of the Critical Outcomes found in the National Curriculum Statement.
- Each pupil will be set two or three specific targets on which to concentrate in the next semester on the last page.
- Extramural activities attended by pupils are also indicated on the last page.
- A general comment from the pupil's class teacher.
- The number of days absent is recorded on the last page.
- The class teacher signs the last page, as does Mr Webb, who takes great care to read each report.

Please feel free to make an appointment with the relevant teachers or me if you have any queries about the reports. It is important that the reports are signed and returned to school after Half Term. I trust that you will find these reports to be the comprehensive documents that we have intended in their design.

- **From our Tuckshop Manager**

Due to an increase in tuck accounts, we can no longer supply credit to children with tuck accounts. Please ensure that children with accounts have positive balances, as we will not be able to provide food etc should funds be used up. In essence they should operate as debit cards. If you would like to cancel any existing account, please email me at gboffelli@dainferncollege.co.za

Much appreciated, and thank you all for your on-going support.

**Which class will win MCDONALDS??**
Start collecting out-dated telephone directories... and it could be yours!!!

The aim is to increase the weight in the recycling igloos. Each child is asked to bring as many old directories to school as possible. At the end of the term, our Class Moms will count how many books were collected and then forward the numbers to me at 083 650 3706.

The competition will end on Tuesday 2 August 2011 and the prizes will be delivered on Thursday 4 August 2011. The class which collects the most telephone directories in JP and SP will win a meal from McDonald's.

When the competition is over please place all the directories into the Mondi Igloos for recycling. Please ensure that the children put the directories into the igloo and not on the floor next to the igloo. Thanks for your support and good luck!

**DEE DICKINSON**
deedee@netactive.co.za
PS. Please ask children to put all class paper recycling into the igloo too.

Art Club and Orff work on a first-come first-served basis. All reply slips need to be returned to the class teacher by 08h00 on Thursday 30 June 2011. In our endeavours to make this as fair as possible we will no longer take phone bookings. If there are more than 22 for Art Club and 34 for Orff, the names of all applicants will be pooled and the 22 or 34 will be drawn out of the hat. The children who don't make this season will then move to the top of the list for the next season. In this way we hope to be fair to all.
